2010

Shanghai Baolong Automotive Corporation was founded in 1997, now grows to a leading player in the stainless steel exhaust system and tire valve business all over the world.

Our main products include: exhaust systems & components, tire valve & wheel service products, tire pressure monitoring system and mini digital air compressor, etc.

Our products have been exported to more than 60 countries, also successfully supplied to most of the car makers, such as: General Motor, Ford, VW, Peugeot, Nissan, Benz, BMW, etc, with the quality evidenced by various certifications: ISO/TS 16949, and ISO14001, etc.

With the decades of experience in the exhaust system business, competitive cost, thousands of available design, satisfying delivery and accurate claim solutions are ensured.

Baolong Anhui Auto-parts Co., Ltd, 100% owned by SBAC, is located in Ningguo city, Anhui Province, with 181,266 m² floor area. With the decade of experience, we now have become a leading manufacturer of exhaust tips and performance systems in China, and one of the largest OE suppliers in the world.

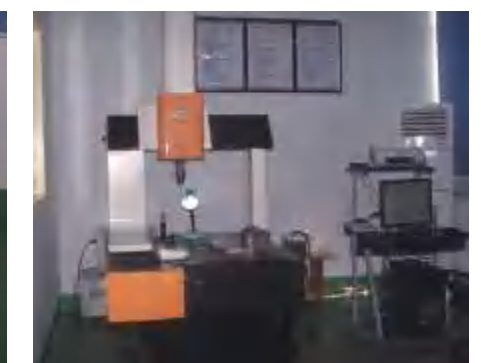

8 workshops, 581 equipments and hundreds of experienced staff are our guarantee to the OE quality and challenging delivery, as well as to the thousands of available designs.

Strong R & D team
Design part independently / as per requirement
Self design and make the tooling / jig / gauge
Continuously researching & improving

In house tests available

Our available material, but not limited to: 304, 409, 439, aluminized steel
Our available finish treatment, but not limited to: grinding, polish, mirror polish, Nickel&Chome plating, Chrome Flash, painting.

CAYENNE

FORD MONDEO

CHEVROLET CORVETTE

PEUGEOT 207

MINI COOPER

CITROEN C5
